Statement of amount of Payment(s) Required/Terms of Payment:

The Defendant having been indicted/charged by information in the above entitled and numbered cause for the felony offense indicated above and this cause being this day called for trial, the State appeared by her District Attorney as named above, and the Defendant named above appeared in person and either by counsel as indicated above or knowingly, intelligently and voluntarily waived the right to representation by counsel as indicated above, and both parties announced ready for trial. The said Defendant elected to proceed under Article 42.12, Section 5a of the Code of Criminal Procedure, and in open court, jury having been waived, the Defendant was duly arraigned, pleaded as indicated above to the charge as shown above.

Thereupon the Defendant was admonished by the Court of the consequences of the said plea, and the Defendant persisted in entering said plea; and it plainly appearing to the Court that the Defendant was sane and that he was uninfluenced by any consideration of fear, or persuasion, or delusive hope of pardon prompting him to confess his guilt, the said plea was accepted by the Court and is here entered of record upon the minutes. The Defendant having in open court, in writing, waived the appearance, confrontation, and cross-examination of witnesses, consented to the stipulation of evidence and to the introduction of testimony by affidavits, written statements of witnesses, and any other documentary evidence; and such waiver and consent having been approved by the Court in writing and filed in the papers of the cause, the said plea of the Defendant was received and entered of record upon the minutes.

[] The Defendant, in person, in writing, and in open Court, with the written agreement of the Court, waived his right to the preparation of a pre-sentence report prepared by the Probation Officer, such waiver having been filed in the papers of the cause.

[X] The Defendant not having waived the preparation of a pre-sentence report by the Probation Officer, the Court directed the Probation Officer to prepare such a report, at which time Court recessed.

On this the 5TH day of FEBRUARY, A.D. 1991, the trial proceeded before the Court, and after the evidence was submitted and the argument of counsel thereon, the Court found that such evidence substantiates the Defendant's guilt in this cause, and further found that the best interests of society and of the Defendant would be served by deferring proceedings without entering an adjudication of guilt and placing the Defendant on probation in this cause.

It is THEREFORE, CONSIDERED, ORDERED AND ADJUDGED, that in accordance with Article 42.12, Section 5a of the Code of Criminal Procedure, no judgment shall be entered in this cause and that the Defendant be, and he is hereby placed on probation in this cause for a period of 10 YEARS from this date, on the attached terms and conditions of probation.

Dear Mr. Draper:

After careful review, we have decided that your registration with the Boy Scouts of America will no longer be accepted. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a BSA regional review committee, please write to the regional director within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be accepted. The procedure for a review of this decision are attached.

Sincerely,

Roger A. Ohmstede
